

# • Summer Student, Technology

Position ID 2020-7191

Position Location(s) CA-AB-Calgary

## DIFFERENT BY DESIGN

At MNP we pride ourselves on being different – it's our entrepreneurial drive that sets us apart. It's the same drive that's helped us become Canada's fastest growing national firm. We foster collaboration, value your ideas, promote based on talent and make time for FUN. We are one firm, one team, collaborating to provide you with the coaching, mentoring and feedback required to launch your career.

Be part of the momentum. We are currently seeking a summer student to join our Technology team for a 4-month term beginning May 2020 until August 2020. Driving innovation throughout the firm, our Technology team provides industry-leading solutions that enable MNP to better serve our clients and people. We deliver on the strategic needs of service lines, industry and specialty groups and operations at all levels throughout the firm. Our specialists develop, enable and support initiatives that allow MNP to deliver client service, collaborate, communicate and operate reliably and efficiently.

When applying, please submit your resume, cover letter, transcript and other applicable forms, as necessary, in one (1) document. Applications for this role will need to be submitted by February 28, 2020.

## RESPONSIBILITIES AND QUALIFICATIONS

### Performance Expectations

- Work with the development team on projects following Agile methodologies
- Participate in scrums
- Maintain and update work items and tasks in Azure DevOps
- Bring forward ideas and contribute to planning of features and functionality
- Work independently on small projects
- Work in collaboration with the development team in the implementation of various technology initiatives
- Develop a thorough understanding of MNP's services, businesses and industry

### Credentials

- Currently enrolled in full-time studies with a post-secondary institution in a Bachelor of Computer Science, Bachelor of Software Engineering or related field
- Intending to return to full-time studies upon commencement of the 2020 fall semester
- Previous development experience in C# and the .Net stack is considered an asset
- Previous front-end experience with Angular or React is considered an asset
- Independent learner with demonstrated critical thinking skills

### Core Competencies and Personal Characteristics

- **Integrity** – professional whose honesty, integrity, confidentiality and high ethical standards contributes to effective leadership and optimal business relationships
- **Energy** – displays enthusiasm, optimism, drive and passion while maintaining a high level of productivity and a balanced lifestyle
- **Diversity** – understands the importance of different backgrounds, perspectives and experiences and is respectful of individual differences

- **Communication** – effectively expresses ideas and conveys information in business writing, conversations and interactions with others
- **Client Service Excellence** – understands the importance of quality client service by being courteous, responding to client requests in a timely manner and monitoring satisfaction
- **Teamwork & Relationship Development** – works collaboratively with team members in order to achieve a common goal and develops, maintains and strengthens relationships with others, both inside and outside the Firm
- **Accountability** – takes responsibility for one’s own performance by setting clear goals and tracking progress against those goals; is highly organized and uses personal judgement and decision making
- **Flexibility** – effectively manages multiple assignments, adapts to changing priorities and is able to work independently or as part of a team

## **MYREWARDS@MNP**

Our Firm encourages a balanced lifestyle and offers competitive pay that suits the way our team members work and play!

MNP proudly serves and responds to the needs of our clients in the public, private and not-for-profit sectors. Through partner-led engagements, we provide a collaborative, cost-effective approach to doing business, with innovative strategies to help organizations succeed across the country and around the world.
